

## ANTLERED BUCK AND TURKEY HARVEST RECORD

A mandatory hunter harvest record is in effect this season. It is illegal for a hunter to field dress or move an antlered buck or turkey before dating a hunter harvest record. (see example below) this record will be provided on all licenses. For license exempt or lifetime license hunters, a sample form is provided below.

If someone other than the hunter is transporting a harvested antlered buck or turkey, the individual transporting the antlered buck or turkey **MUST** have in their possession written documentation including name, address, license number (if applicable), telephone number, date of harvest and signature of the person who harvested the antlered buck or turkey, until it is processed and stored in a cooler or freezer at one's residence or delivered to a commercial processing plant.

**YOU MAY USE THESE FORMS OR USE THEM AS EXAMPLES TO MAKE YOUR OWN**
